

UL-C10UA-W

# 10000 BTU Portable Air Conditioner

## HIGHLIGHTS

Capacity: BTU 10000  
Approximate Floor Area (m2): 30  
Approximate Room Capacity (m3): 75  
Noise level: 62 to 65 decibels  
Clear display: LED  
Sleep Mode  
3 Fan speeds  
Timer function  
Remote control + window pipe & funnel  
Auto swing mode  
Childlock  
Auto restart memory  
Energy rating A+  
Swivel castors  
Dimensions 393x425x804  
Air Flow (High/Medium/Low) - 385/355/325 m3/h

## Portable Air Conditioner Features

|                                           |         |
|-------------------------------------------|---------|
| Cooling Capacity (W)                      | 2900    |
| Cooling Capacity (Btu/h)                  | 9895    |
| Cooling Power Input (W)                   | 935     |
| Dehumidifying Volume (L/h)                | 1.5     |
| Temperature Range - Output (Celsius)      | 16 - 30 |
| Includes Exhaust Pipe                     | Yes     |
| Self Diagnostics                          | Yes     |
| Temperature Range - Environment (Celsius) | 16 - 35 |

## Design

|                                |                 |
|--------------------------------|-----------------|
| Front Material/Finish          | Plastic/Painted |
| Front Colour                   | White           |
| Housing Colour                 | White           |
| Noise Level (dB)               | 65              |
| Auto Off Function              | Yes             |
| Mains Lead Length (mm)         | TBA             |
| Castors                        | Yes             |
| Approximate Floor Area (m2)    | 30              |
| Number of Fan Speeds           | 3               |
| Refrigerant                    | R290            |
| Remote Controller              | Yes             |
| Approximate Room Capacity (m3) | 75              |

## Power Information

|                                |                                                                                                     |
|--------------------------------|-----------------------------------------------------------------------------------------------------|
| Power Requirements             | 230VAC / 50Hz                                                                                       |
| Power Consumption (W)          | 935                                                                                                 |
| Standby Power Consumption (W)  | 0.5                                                                                                 |
| Off Mode Power Consumption (W) | 0.5                                                                                                 |
| Safety Logo Certification      | CE (EMC), CB (Safety), ErP (Energy) etc.                                                            |
| Plug                           | UK Plug                                                                                             |
| Auto Power Off                 | Yes                                                                                                 |
| Energy Class                   | A+                                                                                                  |

## Logistic Information

|                                           |                 |
|-------------------------------------------|-----------------|
| Unit Size (W x H x D in mm)               | 394 x 804 x 425 |
| Box Size (W x H x D in mm)                | 511 x 861 x 448 |
| Gross Weight (kg)                         | 36.5            |
| Units on EU Pallet 1.8m                   | 2               |
| Container Load 40HQ                       | 352             |
| Container Load 40                         | 236             |
| Units on UK CHEP Pallet 1.8m              | 4               |
| Box Staking Quantity                      | 3               |
| Cartons per Layer on EU Pallet            | 2               |
| Cartons per Layer on CHEP Pallet          | 4               |
| Units on EU Pallet 2.55m or Max load      | 4               |
| Units on UK CHEP Pallet 2.55m or Max load | 8               |
| EAN                                       | 4974019216812   |
